

Hi! You don't know me, but I've just paid for your order. No gimmicks. It's just something I felt like doing.

I heard about this whole "giving back" thing on 88.1 WAY-FM. They call it "The Drive-Thru Difference". It's their way of encouraging people in South Florida to make a difference in their neighbor's lives. It may even be something you'll want to do for someone else.

If "The Drive-Thru Difference" really has made a difference in your day, they would love to hear from you. You can leave them a message at 765-889-2559, and they may even play it back on the air!

Signed,

The Stranger in The Car Ahead of You
